Please complete the appropriate form and save a copy to your computer before you begin your Assessment Appeal. When ready click the “I accept” button.

Residential Assessment

The Jefferson County PVA estimates value for over 260,000 residential properties. To accomplish this task, automated valuation models are generated using a computer assisted mass appraisal (CAMA) system. The CAMA system uses the cost approach in conjunction with data from valid “arm’s-length” transactions to study specific neighborhoods. The Residential Department is staffed with trained deputies who review more than 32,000 transfers of residential parcels each year. These transfers are examined and characteristics such as size, age and location are analyzed to estimate value. To ensure a fair and equitable assessment, the CAMA system is monitored and updated with recent sale information.

Appeals Process

By law (KRS 133.120), property owners (or their authorized representatives) have the right to appeal their assessment each year during the annual open inspection period. A person representing a property owner before the PVA must present written authorization from the property owner which sets forth his or her professional capacity and must disclose to the PVA any personal or private interests he or she may have in the matter, including any contingency fee arrangements. Attorneys are not required to disclose the terms and conditions of any contingency fee arrangement. An authorized representative must be qualified as required by the Kentucky Department of Revenue and submit evidence of such qualification to the PVA Office at the time of online appeal. A list of qualifications approved by the department can be found [here](#).

YOUR ONLINE APPEAL MUST INCLUDE DOCUMENTATION THAT SUPPORTS YOUR OPINION OF VALUE.

Examples of supporting documentation are:

- A full appraisal of your property
- Interior/exterior photos of your property
- Your homeowner’s or commercial property owner’s insurance policy
- Your listing contract if your property is currently for sale.
- Estimates of repairs
- Original construction costs or costs of additions or improvements to your property
- Documentation of recent comparable sales (not assessments) that are similar to your property in size, condition, location and other characteristics (sales should be within the last 2 years of the current assessment date) ([Download Sales Comparison Form](#)).
- Documentation of land characteristics that support floodplain, environmental contamination, deed restrictions, easements, etc.
- Lease contracts for rental properties
- Income and expense statements for the last 3 complete calendar years for commercial properties

If your appeal is based on condition or incorrect property characteristics, please provide photos or other documentation that supports correct characteristics or condition. If your appeal is based on recent comparable property sales, the Property Comparison Worksheet ([Download Sales Comparison Form](#)) **is a useful tool when comparing similar properties.** Common similar property characteristics to consider are:

- Property Type
- Exterior Construction (brick, bedford stone, frame, vinyl)
- Year Built
- Living Space Total Square Footage
- Finished or Unfinished Basement
- Garage (1 car, 2 car, 2.5 car)
- Number of Full and/or Half Bathrooms
- Type of Heating or Cooling

SUPPORTING DOCUMENTATION SHOULD BE PREPARED PRIOR TO COMPLETING YOUR ONLINE APPEAL AND CAN BE UPLOADED AT THE APPROPRIATE PAGE WHEN SUBMITTING YOUR APPEAL. Document types which may be uploaded are PDF, image files (preferably JPG), Microsoft Word documents, and Microsoft Excel documents. You may choose to mail your supporting documentation to our office within one business day following submission of your online appeal.

I have read and understand the information provided by the Jefferson County Property Valuation Administrator.

Any person receiving compensation to represent a property owner at a conference with the Property Valuation Administrator for a real property assessment shall be an attorney, a certified public accountant, a certified real estate appraiser, a Kentucky licensed real estate broker, an employee of the property owner, or any other individual possessing a professional appraisal designation recognized by the Department of Revenue. A person representing a property owner before the Property Valuation Administrator shall present written authorization from the property owner which sets forth his or her professional capacity and shall disclose to the Property Valuation Administrator any personal or private interests he or she may have in the matter, including any contingency fee arrangements. Provided, however, attorneys shall not be required to disclose the terms and conditions of any contingency fee arrangement.
